

✂ Print this page as many times as required to create one moon phase image per cupcake. Cut the moon phase images out, glue to a toothpick and insert into the top of a cupcake. Alternatively, you can simply cut them out and spread them around the dinner table as decoration.

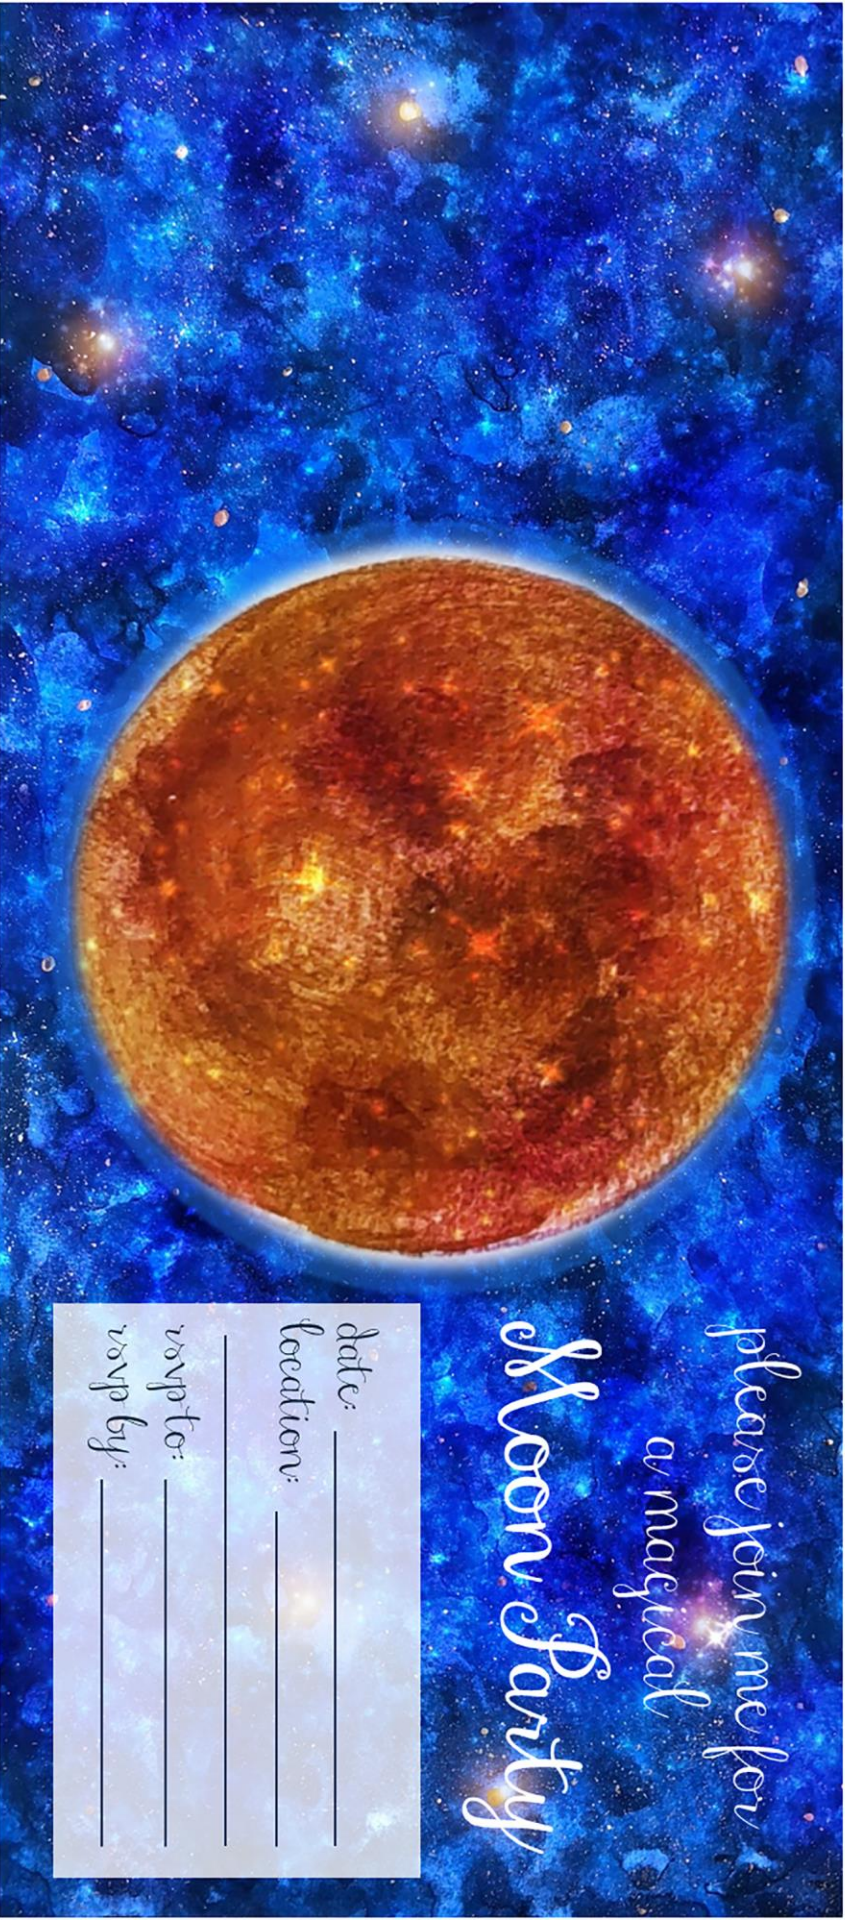

✂️ Print this page as many times as required to create one place card for each guest. Cut each place card out, fold in half and write each guest's name on the moon.

✂ Print this page as many times as required to create one moon per guest. Cut each moon out and place under each guest's dinner plate. Choose one or two tar o/ oracle cards for each guest and place under the moon that is under their plate. Before dessert or when appropriate, invite guests to check under their plates for a message from Spirit.

✂ Print this page as many times as required to create a written invitation for each guest. Cut each invitation out, fold both sides to overlap over the moon which closes the invitation. Lastly, wrap with ribbon or seal shut with wax.
